We welcome you to visit Beth Ahm Israel; we are an egalitarian Conservative Synagogue (member of United Synagogue of Conservative Judaism) located in beautiful Cooper City. We offer the perfect setting for the practice of Conservative Judaism in a warm, caring and responsive atmosphere.

Membership is only the beginning; we encourage your active involvement in our many clubs and activities. We have an active Sisterhood, Men's Club, Hazak Club (seniors), Boomers Club (those born between 1946-1964), Adult Singles, and for our young families, the FAB Club and our PTO (Parent/Teach Organization).

We are a learning environment we learn in our Early childhood Program that accepts children beginning at age 6 months) in our Gold Seal Award winning program, we learn in our Byrna Klur Religious School which is known for being the best educational program in the area, in fact it was the recipient of the United Synagogue School of Excellence Award. Our Religious School is proud to present the Etgar Program for those children in the 6th & 7th grades; this hands on program was designed to develop skills so that the students can face society's challenges and to learn to explore changes in their actions and views. We have a thriving Bar Mitzvah program and for those special children that need additional help; we offer classes at our Jewish Learning Place. We learn through membership in one of our Youth Groups which are bustling with activity, we have excellent programs for our Pre-Kadima thru USY, and encourage all of our youth to attend. We learn through adult education, we are proud to host the Florence Melton Adult Mini School lectures here as well as the Orloff CAJE Midrasha Plus classes. We learn from the Bimah, spend a weekend with us and enjoy the services; listen to Rabbi Kapnek's thought provoking sermons, chant Torah, learn our melodies with our Hazzan.

The first Friday night of every month is our well requested and attended Family Service with participation from our younger members, we offer many Shabbat family dinners throughout the year as well as Sunday suppers and holiday celebrations. So as you can see we have something for everyone, the choice is up to you.

We invite you to join us; together we will continue building a Jewish future in our very special synagogue community.

Ramat Shalom

Ramat Shalom is one of the oldest synagogues in Broward County. The congregation was founded in 1976 as a small, Jewish discussion group that met in members' homes. The group quickly grew into a synagogue with many members, a rabbi, a building, and an organized school. Despite its increase in size, the congregation has never lost the small, intimate feeling that characterized Ramat Shalom from the outset. We pride ourselves on being a real community of Jews who care for each other, celebrate with each other, and grow with each other. We invite you to make Ramat Shalom your Jewish home.

Ramat Shalom is very proud of our award winning Early Childhood Center. Our program truly enriches children's lives. The collaboration of dedicated teachers and supportive families provides a creative, warm, and nurturing environment in which our youngest children receive a tremendous secular and Judaic education year round.

Our innovative Torah School and Continuing Teen Education Program make Judaism relevant to students in kindergarten through 12th grade. Our dedicated, experienced faculty immerse our children in an educational program full of Jewish living, history, traditions, Hebrew reading and meaningful Jewish experiences. And, of course, our Youth Groups help children of all ages develop a social connection to our congregation.

Our Adult Education program reaches out to our most learned members to those who have little to no Jewish knowledge. Our Sunday Morning Adult Torah School is one of our most popular programs, attracting many of our parents and grandparents who want to learn while their children are learning. We offer Beginning and Intermediate Hebrew classes, Torah study, Talmud classes, and a myriad of courses in Jewish history, philosophy, and tradition.

We have regular Kabbalat Shabbat and Shabbat morning services. We are a child friendly congregation. Our rabbi urges us all to bring our children and grandchildren to services. We want our families to join us together. Our services combine Hebrew, appropriate English readings, and a great deal of music. During our services, our rabbi offers explanations that make the service relevant and meaningful. He also engages us in a discussion about the weekly Torah portion or other pertinent issue.

Ramat Shalom is a very warm, social community. There are many events throughout the year that allow us to come together as an extended family. We hope to welcome you to one of these events!

Temple Bat Yam

Temple Bat Yam was founded in April, 1985, by families who felt the need to establish a Jewish presence in East Fort Lauderdale. The Temple is affiliated with the Union for Reform Judaism, the national congregational body of the Reform Movement, and with the World Union for Progressive Judaism. The Temple facility was acquired in 1987. Sanctuary, Social Hall and Library renovations, including the installation of our Sanctuary's award winning Hart Windows, were completed in 2006.

Rabbi Lewis C. Littman, D.D., has served Temple Bat Yam continuously since his election in 1986. Cantor Wendy Autenrieth, M.S.M, and Educational Director Arnold Bergman complete our professional staff. All are graduates of Hebrew Union College-Jewish Institute of Religion. They are joined by a committed Board and active committees, as well as Sisterhood, Brotherhood, Club '50', Youth Group and Caring Community, all of which provide opportunities for service and relationships.

Shabbat services are conducted at 8:00 p.m., each Friday and each Saturday at 10:30 a.m. Family services which encourage the participation of our younger children are conducted one Friday each month at 7:30 p.m. Services are also conducted for the Holy Days and Festivals of the Jewish year, and periodically for *Havdalah* on the beach or on the Temple patio. Our participatory worship is a blend of Hebrew and English, utilizing *Mishkan Tefilah*, the newly published prayer book of Reform Judaism. Services are often enriched by the participation of the Temple's Inter-generational band, *Dor L'dor*, and our youth and adult choirs.

The Sy and Susan Sperling School of Jewish Education at Temple Bat Yam provides education in Jewish history, traditions, prayers, values and Hebrew from Pre-Kindergarten through Confirmation in grade 10. Post-Confirmation classes are also offered. Religious School classes meet each Sunday morning from 10:00 a.m. - 12 noon for children from pre-school to grade ten. Students in grades three through seven also attend classes on Tuesday afternoon from 4:15 p.m. - 6:15 p.m. Pre-Bar and Bat Mitzvah students study directly with the Cantor and the Rabbi in preparation for this milestone event. Regular Family Education experiences are scheduled throughout the school during the year.

Kids Learning Academy at Temple Bat Yam, open Monday through Friday, enrolls children from 1 through 5 years. A flexible schedule of days and hours is offered. The Preschool also provides extended care and afternoon enrichments. The Preschool offers a close association with our congregation and our Rabbi and Cantor.

A variety of adult education classes taught by the Rabbi, Cantor and Educational Director offers multiple opportunities for continuing study. Among these offerings is an annual Introduction to Judaism course which meets on Sunday mornings, Tuesday morning study of classical Jewish sources, Hebrew and Comparative Religion courses for adults, and Jewish Music. The Temple is a campus of the internationally acclaimed Florence Melton Adult Mini School. An annual series of Book Reviews by the Rabbi, and guest speakers, supplement the Adult Education program. Torah study is also an integral part of our Shabbat worship. Our youth and adults are also involved in Social Action projects in the general community, enabling us to fulfill the mitzvot of *tzedakah* and *G'millut Chasadim* (justice and deeds of kindness).

As a congregational family - a mishpachah - we share grief and joy, hard work and a sense of accomplishment. The 360 households of Temple Bat Yam continue to develop a community that encompasses unified goals, deep loyalties, unbridled energy and an unshakable spirit. We invite you to join us, and to share in our efforts.

The Temple is located at 5151 N.E. 14th Terrace, Ft. Lauderdale, FL 33334. Reach us by phone at (954) 928-0410, on the web at www.templebatyam.org, or by e-mail: templebatyam @aol.com.

Our ritual services continue every Monday and Thursday morning for Minyan followed by a study session and breakfast with Rabbi Marcelo Bater. During the week there are different activities for all ages: Singing Chaverim for children up to 5 years of age, Al Galgalim (Training Wheels) sponsored by Hadassah for families with children ages 3-6. This 2 hour session is filled with crafts, songs, snacks and parenting discussions. Adult Education programs are also an important goal in our temple- Shabbat Lunch

Rabbi Tarfon used to say “ You are not required to complete the task, yet you are not free to withdraw from it.....”(Pirkei Avot 2:21)

Temple Beth El

Temple Beth El opened its doors in 1957 when its first service was held in a meeting room of the Hollywood Beach Hotel. At that time, the congregation boasted approximately two dozen families, all of whom had a vision – a traditional Reform congregation in the heart of Hollywood. Through the generosity and dedication of several of these families, Temple Beth El became a reality and grew into the focal point of Reform Judaism in southern Broward County.

As a Reform congregation, and a member of the Union of American Hebrew Congregations, Temple Beth El is devoted to the ideal of freedom to creatively celebrate our beliefs and explore our heritage. Temple Beth El provides a variety of opportunities for its members to do so.

Temple Beth El has become a progressive congregation, blending Jewish values, ethics and traditions into a house of worship and community. Temple Beth El is a place to worship, learn, share, and to grow. It offers the best of two worlds as the young join with the more senior to create an atmosphere of warmth and caring. All are welcomed into the congregational family with the knowledge that Temple Beth El will help to nourish the spirit and bring peace and fulfillment.

Membership at Temple Beth El is a partnership between the congregant and the congregation. Temple Beth El promises to provide for the spiritual, religious, educational and social needs of its congregational family. Members promise to care for Temple Beth El through their regular participation and by means of their financial support. In addition to standard membership fees and enhanced levels of support, reduced dues are offered to younger members and families, as well as to seasonal members who support congregations in other areas of the country. Anyone who cannot meet the fees due to financial limitations will find a sympathetic ear and will be able to make special arrangements.

All members of the congregational family are encouraged to take an active part in Temple life. Temple Beth El membership applications request areas of interest, experience, or special skills. An indication of your interest will get you involved in new programs and projects as well as ongoing committees.

Temple Dor Dorim

Temple Dor Dorim is a vibrant, dynamic, synagogue located in Weston, Florida.

In March 1996 a dream became realized when the Reform Congregation of Weston became incorporated with Rabbi Norman Lipson as founding Rabbi and Scott Pestcoe as first President. Our synagogue began its rapid and unprecedented growth from its beginning with eight families to today, twelve years later, with approximately 665 families. The name Temple Dor Dorim (Throughout the Generations) was chosen by the congregation through a long selection process to reflect its philosophy of inclusion, love of tradition and creativity.

Under the leadership of our past presidents; Scott Pestcoe, Lisa Bennett Stone, Ed Sternlieb and Michelle Gold, and with our current president Adam Zipper, our congregation has moved from its humble beginnings in the storefront into our permanent home which houses our Administrative offices, Educational Center, Library Chapel, Rabbi's Study, Atrium and Social Hall / Sanctuary. We look forward to entering Phase III during which we will complete our building process with the construction of our permanent sanctuary.

As a Reform congregation affiliated with the Union for Reform Judaism (URJ), we are able to offer a wide variety of worship opportunities, classes, programs and lifecycle events for everyone "throughout the generations".

Temple Dor Dorim cultivates for our youth an environment that encourages participation in Jewish traditions, creates a love of Judaism, and builds a lasting link between our children, the synagogue, and the Jewish community. The Early Childhood Center is a Florida Gold Seal Quality of Care Program, and is accredited by the National Association for Education of Young Children (NAEYC). The Religious School is proud to be the only religious school in Broward County accredited by the National Association of Temple Educators. The high school Youth Group participates actively in National Federation of Temple Youth (NFTY) events, and several of our teens have held regional leadership positions.

The adult members of Temple Dor Dorim also have numerous opportunities for worship, learning, and camaraderie through organized programs as well as community and social services. The Brotherhood, Sisterhood and Empty Nesters organizations sponsor numerous activities throughout the year. Adult

Education classes, the Social Action Committee, the Generations Choir, and the Chutzpah Band provide creative and innovative ways to connect to Judaism and to participate in congregational life.

Our community creates a beautiful mosaic of commitment, education, empowerment, giving and love for our spiritual journey. We welcome you to become a part of our mosaic, and to help us fulfill the goal of Temple Dor Dorim, to pass our history from generation to generation.
