

Orloff Department of Jewish Education & Engagement
Jewish Federation of Broward County
Professional Development Subsidy Application Form

Date:

Subsidies for professional development are provided through a generous grant from Jewish Federation of Broward County to support educational excellence in our community. Submissions will be reviewed on an ongoing basis. Priority will be given to participants attending conference/program for the 1st time. Each awardee will be expected to submit a short article sharing how the program impacted your teaching or your program, and may be asked to do presentations on what they learned at meetings. For program subsidy consideration we ask educator to complete this application. Subsidies will be determined by the Educational Excellence Committee.
